PROFILE

Results-oriented Shopify Developer with a strong focus on building high-converting, mobile-responsive e-commerce stores. Specialized in Advanced Liquid Customization, Theme Architecture, and Performance Optimization. I bridge the gap between aesthetics and functionality to help brands scale their online presence through clean code and modern UX/UI practices.

WORK EXPERIENCE

Shopify Developer | Betopia Group – SparkTech Agency

- 2025 – August 2026
- Engineered and customized 20+ Shopify stores using Liquid, ensuring high performance and unique brand identity.
 - Developed custom sections and snippets to enhance store functionality beyond standard theme limitations.
 - Optimized store loading speeds by an average of 40% through code minification and asset optimization.
 - Collaborated with international clients to deliver pixel-perfect responsive designs across all devices.
